Virtual History Club Explores Legends of the Stars

Hands-on History Club will learn legends of the stars, from the Wyoming plains and beyond.

Casper, Wyoming (January 6, 2021) – Fort Caspar Museum and the National Historic Trails Center are hosting free monthly Hands-on History Club programs and have adapted them to be COVID safe.

Join us online Saturday, January 16th at 10:00 a.m. Mountain Time as we explore “Legends of the Stars.” Student will engage with multiple cultures through the retelling of star legends. Explore First Nation star stories and the lessons that they teach. Students will create string art to demonstrate how connected stars make up the objects of legends. Lessons are targeted for 2nd through 5th graders, but all are welcome to participate.

If you would like participate in this virtual class, you must sign up in advance online at tinyurl.com/hohclubCasper. The first 25 local families to sign up before Wednesday, January 13th at 5:00 p.m. will receive a free bag of materials to make “string constellations” that will be delivered contact free to their homes on the 15th. (Note: In the event of inclement weather, we will only be able to deliver to plowed roads, and therefore a pick-up option will be available.)

Again, online registration is required in advance at tinyurl.com/hohclubCasper for this free program so that we may send you an electronic invitation. The deadline to receive the activity box is January 13th, but you may sign up to join the class as late as Friday, January 15th at 5:00 p.m. Contact Stacey Moore at the Trails Center, samoore@blm.gov, if you have questions.
